Girl calls the Help Desk to complain a computer problem.

Girl: When I type computer password, it just shows star star star star(***). Whatz the hell ?

Help Desk: Mam, those stars are to protect you, so that if a person standing behind u, they can't read your password.

Girl: Yeah, but stars appear even when there is no one standing behind me. ?

Girl: "I can't seem to connect to the Internet."

Tech Support: "Ah, right. What operating system are you running?"

Girl: "Netscape."

Tech Support: "No, what version of Windows are you using?"

Girl: "Uhhh...Hewlett Packard?"

Tech Support: "No, Right click on 'My Computer,' and select
properties on the menu."

Girl: "Your computer? It's my computer!"
