

!!!!!!!!!!!!!!UNLOCK MICRO SD CARD !!!!!!!!!

//////////*1000+ HACKING TRICKS & TUTORIALS - ebook By Mukesh Bhardwaj Blogger - Paid Version - only @
TekGyd | itechhacks | Mukeshtricks4u*////////

1. Insert your card into your phone, without accessing it through the phone
2. Run FExplorer and Open the path C:\system
3. Find the file called mmcstore, and rename it mmcstore.txt
4. Copy that file (mmcstore.txt) to your PC and open it in Notepad
5. Your password will be located within that file.

To Download FExplorer go to below links

#Symbian>> <http://www.mediafire.com/?40xy8wp6r3r9z74>
#Java >><http://www.mediafire.com/?t5384le6gaa1oss>
#android >> <https://play.google.com/store/apps/details?id=com.lopaulo.filebrowser&hl=en>
