

Flashget Broadband Tweak

//////////*1000+ HACKING TRICKS & TUTORIALS - ebook By Mukesh Bhardwaj Blogger - Paid Version - only @
TekGyd | itechhacks | Mukeshtricks4u*////////

Just double-click on the FlashGetRegTweak.reg file to enter the tweak into the registry. This tweak will allow up to 100 simultaneous file downloads, each split into a max of 30 parts. Previous defaults were 8 & 10 respectively.

Note:

1. Works for dialup but not really advantageous.
2. Restart your computer to feel the full advantage of this tweak.

Download:

here it is

just copy to notepad

rename to lwillsinglehandedlykillallthebandwidthfromtheserversidownloadfrom.reg

REGEDIT4

[HKEY_CURRENT_USER\Software\JetCar\JetCar\General]

"Max Parallel Num"="100"

"MaxSimJobs"="100"
