Sorry for being late posting the star wars episode.!
Here it is..!
Step by Step:

1. Type telnet
2. Press "o"
3.it should say < to >, where you should type in "towel.blinkenlights.nl" just as it appears below.
Thats How You do it..
Sit back and enjoy he show...!
It's hard to create so please appreciate it!!
Thank YOU!!
Uhm Sorry again for the late post!
Mr. Gooden!!
